

# SPONSORSHIP TIERS

Our mission is to empower young minority women by combating imposter syndrome through enhanced public speaking and musical skills that foster entrepreneurship. We are committed to uplifting our community, focusing on initiatives that support Detroit's youth.

Our Media & Music Blessed 1 to 1 program specifically aims to empower and encourage women to enhance their oratory and music literacy skills. Women, especially minority women, have long been underrepresented in business.

To address this gap, our organization focuses on educating and empowering youth between the ages of 10-18, preparing the next generation of leaders through mentoring programs and workshop classes.

- **Workshops take place once a month, 12 classes per year, Saturdays 11am-2pm**

*Give to a greater cause, make an impact!*
